

July 2021

Hope you had a Happy Fourth of July!

We are finally able to get out and socialize, just in time for our summer activities. Flags, fireworks, family and food – all very important and everyone is ready to really enjoy all of these. We have come together as a community and a country and made it through a really tough time, but now let's enjoy our wonderful country, the summer and each other!

Let us know what you enjoy in our newsletter, what else you would like to hear about and please send us anything you would like to share in our publications. We are happy to share great news from our clients, friends and family so just let us know what you want to see or share. You can stay in touch with us by emailing marketing@wrightgroup.net or sfalvo@wrightgroup.net.
